Hello STRC Patrons,

August already?? Where did the summer go?? With every August that means USTA Early Start Ratings are going to be out soon. If you don't already participate in the USTA League Tennis Program, the STRC hosts more teams than any other public or private facility in the Valley. Never played before? Talk to one of our teaching pro's, Jennifer or myself and we will do everything possible to connect you to a team. USTA League Tennis is the nations largest organized recreational program that culminates in a National Championship. Many of our teams have already had the opportunity to participate in the Southwest Section Championships while we have had others that have gone all the way to Nationals. It really is a great opportunity to play in regular matches against players of similar ability.

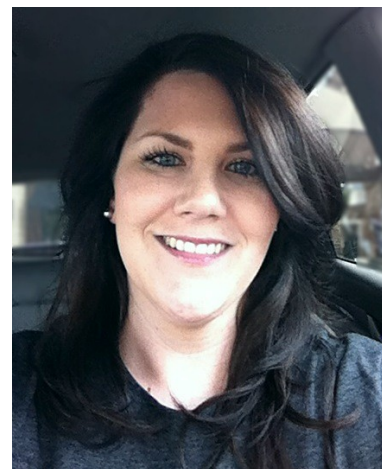

May all your serves be ACES,
Bill Lucero, Tennis Manager

Congratulations to our August Player of The Month-Jennifer Frank

TENNIS TIP FOR AUGUST

John Cave
USPTA-Professional 2

John's TIP

Grips! All levels of players should be aware of different grips and what they are used for. Understanding your grips is the first thing in being able to execute a shot correctly. Many things make a good shot a great shot. So strike the ball with confidence with the correct grip. Consult a tennis pro if you need further grip instruction!
